

Breastfeeding friendly criteria

Establishments are encouraged to welcome breastfeeding mothers, as breastfeeding has a positive impact on health and wellbeing in childhood and in later life.

The establishment:

1. is happy for a mother to breastfeed her baby in their premises
2. will support a mother to continue to breastfeed if another customer complains
3. will ensure that all staff are trained in the breastfeeding friendly policy
4. has a written breastfeeding friendly policy (optional delete if not applicable)
5. will display the breastfeeding friendly certificate
