

Improvements to
Clover Hill play areas...

Tell us what you think

NORWICH
City Council

Is there anything you particularly like about our plans?

Is there anything you don't like?

Is there anything else you think we should include?

A little bit of information about you

It would be useful for us if you would tell us a couple of things about you...

How old are you?

How many minutes walk to you live from the play areas?

Do you use the play areas at the moment? Yes

No

If yes, how often and what for?

If no, why not? Do you think you would be more likely to use them when the improvements have been made?
