

Breastfeeding Friendly Criteria

The Breastfeeding Friendly criteria is optional and is not necessary to achieve the HONOR.

Food businesses are encouraged to welcome breastfeeding mothers, as breastfeeding is proven to have a positive impact on health and wellbeing in childhood and later life.

1. Is the food business happy for a mother to breastfeed her baby in their premises

Yes

No

N/A

2. Would you be happy for a mother to continue breastfeeding if a customer complained?

Yes

No

N/A

3. We are compiling a directory of those establishments who are supportive of breastfeeding, which will be made available to the general public online and in leaflets. Would you be happy to be included on this list?

Yes

No
