City Council

Notice to quit given by tenant

Name (block letters)

Address

.....

I / we give notice to Norwich City Council to end the tenancy at the above address to take effect four weeks from the Monday following service of this notice.

Signed Dated

Joint tenants please note that this notice will end the tenancy even if only one tenant signs it, so that ALL tenants will have to leave.

- At the end of the notice all occupants will have to leave.
- The dwelling must be left in a clean and tidy condition.
- All keys must be returned by the notice expiry date.
- The tenancy end date will be confirmed in writing – please refer to the letter sent to you by the council, or ask the officer assisting you.
- Keys to the property must be handed in by the end of your tenancy. Failure to do so will result in a lock change to be automatically ordered, and you will be invoiced for the full cost.
- The tenancy will end four weeks from the Monday following service of the notice.
- If you are transferring and have an overlap of start and end dates between two properties, benefit, if applicable, may be payable on both properties. Please ask for a form.
- You are required to give four full rent weeks (Monday to Sunday) notice to quit the tenancy, and are liable for rent to be charged to the end of that period.
- Please be aware that the notice to quit is a legally binding document.
- If you are a joint tenant who wishes to quit the property, but the other tenant does not, please be aware that the signed form is binding on both tenants. The remaining tenant has no legal entitlement to remain in the property once the notice to quit period has passed. Please seek independent legal advice before signing this document if this is the situation you are in.
- If you also rented a Norwich City Council garage you must give the council a separate notice to end the garage tenancy. Please ask for a Garage notice to quit form from the customer contact team.

By signing this document you give Norwich City Council permission to dispose of items left in the property and understand that you will be charged for this.

If you rent a garage you must give the council a separate notice to end your garage tenancy.
