

**Town and Country Planning Local Development (England) Regulations 2004
Norwich City Council**

The City Council is consulting on four draft Supplementary Planning Documents. The table below gives details.

STATEMENT OF MATTERS FOR SUPPLEMENTARY PLANNING DOCUMENTS CONSULTATION, FEBRUARY 2006

Title of SPD	Subject Matter	Area Covered	Deadline for Representations	Address for Representations
Heritage Interpretation	Supplementary guidance for developers setting out the methods and procedures for providing heritage interpretation measures in development schemes where there is significant heritage interest, interpreting policy TVA8 of the Replacement Local Plan.	Whole City of Norwich	24 March 2006	Planning Policy and Projects Manager, Norwich City Council, City Hall, Norwich NR2 1WP
Energy Efficiency in Design	Supplementary guidance and advice for owners, developers, and architects on energy efficiency and the use of renewable energy in new buildings, and rehabilitation/conversion of existing buildings, interpreting policy EP18 and EP19 of the City of Norwich Replacement Local Plan.	Whole City of Norwich	24 March 2006	Planning Policy and Projects Manager, Norwich City Council, City Hall, Norwich NR2 1WP

Title of SPD	Subject Matter	Area Covered	Deadline for Representations	Address for Representations
Green Links and Riverside Walks	Supplementary guidance setting out the City Council's requirements for the provision of Riverside Walks and Green Links under policies SR11 and SR12 of the City of Norwich Replacement Local Plan. It will assist developers in formulating proposals for sites adjacent to or affecting these, and to a wider audience in outlining the Council's approach to Green Links and Riverside Walks, with examples of good practice.	Sites and/or areas to which policies SR11 and SR12 apply	24 March 2006	Planning Policy and Projects Manager, Norwich City Council, City Hall, Norwich NR2 1WP
Transport Contributions	Supplementary guidance interpreting policies TRA10 and TRA11 of the City of Norwich Replacement Local Plan, seeking contributions from developers to ensure that new development is properly accessible by all modes of transport. It also deals with opportunities to enhance existing transport programmes to compensate for any additional private car traffic that the development creates.	Whole City of Norwich	24 March 2006	Planning Policy and Projects Manager, Norwich City Council, City Hall, Norwich NR2 1WP

Any representation may be accompanied by a request to be notified at a specified address when that SPD is adopted by the City Council.

For each SPD listed, the SPD documents published include the SPD, a sustainability appraisal report, and any supporting documents listed in the final column above.
