

# Eaton, Old Lakenham & Trowse Millgate Conservation area appraisals

## QUESTIONNAIRE

Norwich City Council would like your views on the conservation area appraisals produced for Eaton, Old Lakenham & Trowse Millgate conservation areas.

Your views are important to us and will be taken into account when preparing the final versions of the appraisals for adoption by the council.

Please indicate which appraisal you are commenting on, using different questionnaire sheets if commenting on more than one appraisal. Please continue on a separate sheet if necessary.

Eaton     Old Lakenham     Trowse Millgate

1) Do you think the introduction accurately summarises the character of the conservation area?

Yes     No

If not, what would you change? \_\_\_\_\_  
\_\_\_\_\_
