

HAVE YOUR SAY ON

Mousehold Heath

Norwich City Council and Mousehold Heath Conservators have prepared a draft management plan which will guide the work that is done on the heath for the next five years. Many people have different, sometimes conflicting, visions, and ambitions, for the heath and so it is important that you are given the opportunity to have your say about it.

We would like to know what issues and priorities are important to you, and what your personal experience of this area is.
