Corporate Plan 2015-20

Key perfomance measures and targets To ensure we are achieving our priorities and delivering the key actions that support them, we develop and monitor key performance measures. We use these to test how we are doing. These are shown in the table below.

| WHAT WE AIM TO ACHIEVE (OUR PRIORITIES) | Safe clean and low carbon city | | Prosperous and vibrant city | | Fair city | | Healthy city with good housing | | Value for money services | |
|---|---|--|--|---|---|--|--|---|--|--|
| HOW WE MEASURE WHAT WE ARE ACHIEVING (KEY PERFORMANCE MEASURES) | % of streets found clean on inspection | % of people satisfied with waste collection | Number of new jobs created/ supported though council funded activity | Delivery of the council's capital programme (encompassing all key regeneration projects) | Delivery of the reducing inequalities action plan | % of people saying debt issues had become manageable following face to face advice | Delivery of the Healthy Norwich action plan | Relet times for council housing | % of residents satisfied with the service they received from the council | Council achieves savings targets |
| | % of people feeling safe | Residual household waste per household (Kg) | Number of new business start ups | Amount of funding secured by the council for regeneration activity | % increase in the number of contractors, providers and partner organisations paying their employees a living wage | | Number of long term empty homes brought back into use | Number of new affordable homes delivered on council land or purchased from developers | % of council partners satisfied with the opportunities to engage with the council | Avoidable contact level |
| | % of food businesses achieving safety compliance | % of residential homes on a 20mph street | Planning quality measure | Provision of free wi-fi in city centre | Number of private sector homes where council activity improved energy efficiency | Timely processing of benefits | Preventing homelessness | People who feel that the work of the home improvement agency has enabled them to maintain independent living | Channel shift measure | % of income owed to the council collected |
| | Number of accident casualties on Norwich roads | % of adults living in the city council's area who cycle at least once per week | Delivery of the heritage investment strategy action plan | % of people satisfied with leisure and cultural facilities | | | % of council properties meeting Norwich standard | % of people satisfied with the housing service | % of income generated by the council compared to expenditure | % of customers satisfied with the opportunities to engage with the council |
| | Reduction in CO2 emissions for the Norwich area | Reduction in CO2 emissions from local authority operations | Number of visitors to the city | | | | Number of private sector homes made safe | | | Delivery of local democracy engagement plan |
| | % of people satisfied with parks and open spaces | | | | | | | | | |
| | % of people satisfied with their local environment | | | | | | | | | |
| | | | | | | | | | | |
