

**NORWICH CITY COUNCIL
(CATHEDRAL STREET, RECORDER ROAD, ST FAITHS LANE)
(PROHIBITION OF DRIVING) (PART TIME)
EXPERIMENTAL TRAFFIC REGULATION ORDER 2014**

STATEMENT OF REASONS FOR MAKING THE ORDER

To help meet the corporate priority of a safe and clean city by the experimental prohibition of vehicles entering Cathedral Street, Recorder Road and St Faiths Lane at their junctions with Prince of Wales Road during the late evenings and early hours of Fridays, Saturdays and Sundays, between the hours of:

Friday	11:00pm – midnight
Saturday	12:01am – 06:00am and 11:00pm – midnight
Sunday	12:01am – 06:00am

Exemptions have been made for emergency, statutory bodies and utilities vehicles on emergency business pedal cyclists, permit holders, blue badge holders and disabled persons motorised carts and access to private parking spaces will be maintained.

Traffic has been increasing in those streets at those times and these measures would reduce this and the proposal to make the Order is therefore made because it appears to the City Council that it is expedient to do so in accordance with Sections 1 (f) of the Road Traffic Regulation Act, 1984, namely :-

“(f) for preserving or improving the amenities of the area through which the road runs;”
