REMEMBER

Wheelie bins and sacks or bags are collected from the edge of your property. Please make sure your bin is out by 7am on collection day, and no earlier than 6pm the evening before. Please return your bin to the inside of your property boundary by 9am the day after your scheduled collection.

Contact us:

- For more detailed information about how your waste and recycling service works and for advice about waste prevention.
- Within 48 hours if your bin or bins have not been collected. Please note that missed bin collections reported after this time will not be picked up until your next collection day.
- To find out about subscribing to our paid-for fortnightly garden waste collection service.

Food waste caddy

We collect this every week and recycle the contents into compost.

eggs & shells

dairy

fish

fruit & veg

teabags & coffee

bread & pastries

pet food

meat & bones

cooking oil & fats

★ TOP TIPS ★

- Line your caddy with a compostable bag or newspaper not carrier bags.
- Keep your caddy in a handy place so you can use it as you prepare meals and dispose of leftovers.
- Plan meals as carefully as possible so you only buy what you need, to avoid food going off in your fridge and cupboards.
- Wherever you can, use up your leftovers or freeze them.

Blue mixed recycling bin

plastic bottles

paper & cardboard

plastic pots, tubs & trays

tetra pak cartons

bottles & jars

steel & aluminium cans

aluminium foil & trays

empty aerosols

★ TOP TIPS ★

- Additional recycling left by the side of your bin can be collected if it is in a cardboard box or clear bag (not including glass).
- Please rinse out your recycling with water.
- No bagged recycling inside your bin.
- Keep different bins indoors for recycling and general waste.
